Congratulations on being selected from the lottery to have your scholar be one of 144 total scholars in our founding classes at Liberty STEAM Charter for the 2021-22 school year! We cannot wait to begin serving our scholars and families as we work diligently to create Sumter's first tuition-free, open-enrollment public charter school. While you were not waitlisted from the lottery, there are many scholars and families who have been. It is really important to follow the directions in this email to accept or decline by the deadline. If you have any questions, please contact us via email (enrollment@libertysteamcharter.org) or phone (call/text 803.569.1217).
